REliHE

REliHE addresses the challenge of the sustainable reuse of the religious heritage in rural areas.

1<sup>st</sup> REliHE Interregional Exchange of Experience Event  
“Rural communities and Heritage.  
Successful cases and new initiatives.  
The Faro Convention Approach”.  
Online, January 28, 9:00-13:00 (CET)

This first online event of the Interreg Europe Project REliHE (Religious Heritage in Rural Areas) will focus on the topic: “Rural Communities and Heritage: Successful Cases and New Initiatives. The Faro Convention Approach”. Project partners will share best practices from each participating territory, showcasing initiatives that will be discussed with event attendees.  
If you would like to participate, please register to receive the connection link along with the detailed program, currently being finalized.
